

GOVERNOR (1965-1977 : RAMPTON) [446]

BUDGET RECORDS, FY 1965-1973.

2.5 cu. ft.

Storage is offsite; contact the Utah State Archives to order.

DESCRIPTION: This series contains appropriation requests, correspondence, and projected expenditures pertaining to each state agency for various fiscal years, as well as financial reports such as "Budget Work Programs for fiscal year, 1969" and "Appropriation Report, July 31, 1972". This series also includes oversized projected expenditures and appropriations reports. These materials were received and filed by Governor Rampton's office, presumably to aid Rampton in the preparation of his budget message to the Legislature.

ARRANGEMENT: This series is arranged chronologically by fiscal year or biennium, thereunder alphabetically by subject or title of report. Materials are filed within the fiscal year or biennium for which the information was intended (i.e., a 1972 report may be found filed within the 1973-1975 fiscal biennium as it is assumed that the information contained in the report was intended for consideration in planning the fiscal years following 1972).

RELATED RECORDS: Series 84197, BUDGET RECOMMENDATIONS REPORTS, of the Governor's Office of Planning and Budget, contains proposed budgets for each agency, and will provide similar planning information as to this series.

PROCESSING NOTE: This series will be microfilmed and the hard copy will be kept because of the intrinsic value of the papers. It was processed by Kira Robertson in February 2001.

PREFERRED CITATION: Cite the Utah State Archives and Records Service, the creating agency name, the series title, and the series number.
